

Submissions for the 2007 EFIC Grünenthal Grant

Aachen, Germany, 21 March 2007. Submissions for the 2007 EFIC Grünenthal Grant will be accepted by 30th April 2007.

This annual grant of € 100,000 is awarded in co-operation with EFIC and Grünenthal GmbH. The grant is aimed at supporting young scientists in carrying out innovative and exploratory clinical pain research in projects in any country with an EFIC chapter (see www.EFIC.org). Research Grants are intended for clinical and human experimental research projects on the subject of pain. Research proposals on animals, computer simulations etc. will not be considered. More information on the E-G-G is available at <http://www.e-g-g.info>

About EFIC

The European Federation of Chapters of the International Association for the Study of Pain (EFIC) is a multidisciplinary professional organization in the field of pain science and medicine, made up of the 29 European chapters of IASP (International Association for the Study of Pain) representing 33 countries. Established in 1993, EFIC's chapters represent close to 18,000 scientists, physicians, nurses, physiotherapists, psychologists and other healthcare professionals across Europe who study pain and treat patients in pain. EFIC's aims are to advance research, education, clinical management and professional practice related to pain, and to serve as an authoritative, scientifically based resource concerning policy issues related to pain and its management.
